

**COMMUNICATIONS, ELECTRICAL, ELECTRONIC, ENERGY, INFORMATION,  
POSTAL, PLUMBING & ALLIED SERVICES UNION OF AUSTRALIA**

**COMMUNICATIONS DIVISION**

**NEW SOUTH WALES  
TELECOMMUNICATIONS AND SERVICES BRANCH**

**ABN 69 143 175 060**

**FINANCIAL REPORT**

**FOR THE YEAR ENDED 31 MARCH 2022**

## **OPERATING REPORT**

Branch Committee of Management report in accordance with Section 254 of the Fair Work (Registered Organisations) Act 2009 for the year ended 31 March 2022.

### **Principal Activities**

The principal activity of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing & Allied Services Union of Australia, Communications Division, New South Wales Telecommunications and Services Branch was that of a registered Trade Union.

The principal activities of the Union during the past year fell into the following categories:

- Promoting the interests of Telecommunications and Postal workers,
- Implementing the decisions of the Divisional Branch Committee of Management, Divisional Executive, Divisional Conference and National Council,
- Implementing the union's organising & industrial agenda, including direct assistance and strategic advice to members, assistance to members on planning and resourcing campaigns, bargaining, training and development of shop stewards and officials,
- Support and representation of individual member grievances, advice on legal and legislative matters,
- Lobbying and negotiations with different levels of Government and key industry organisations around issues of importance to Telecommunication's workers, and
- Management of the Unions financial and membership systems.

There have been no significant changes to the way the Union has carried out these activities during the last financial year.

### **Operating Result**

The operating loss of the Branch for the financial year was \$10,080 (2021: Surplus \$25,346).

### **Significant Changes**

The Branch continued to implement changes to reduce costs. Our underlying position is sound with membership reasonably steady this year, despite a number of redundancies in the industry. Staff have been working from home and administrative arrangements were implemented to ensure continued operation of the Branch.

### **Future Developments**

The Branch has now had rule changes drafted and processed through the Nation Council of the Union. These rules will now need to be certified by the Fair Work Commission. This should allow the full amalgamation of the Branch with the CEPU Victorian Telecommunications and Services Branch in the second half of this year,

### **Superannuation - Office Holders**

No Office Holder was a trustee of a Superannuation Scheme or a Director of a Company that is a trustee of a superannuation entity during the year ended 31 March 2022.

## **OPERATING REPORT (Cont'd)**

### **Rights of Members**

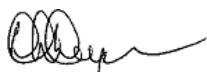

Subject to the Rule 11 of the Union's rules and Section 174 (1) of the Fair Work (Registered Organisations) Act 2009, members of the Union have the right to resign from membership by providing written notice addressed to and delivered to the Secretary of the Union. In accordance with Section 174 (1) of the Fair Work (Registered Organisations) Act 2009 a member of an organisation may resign from membership by written notice addressed and delivered to a person designated for the purpose in the rules of the organisation or a branch of the organisation. There was no change to this rule during the year.

### **Membership Numbers**

- (1) Under Section 230 of the Fair Work (Registered Organisations) Act 2009 the number of persons recorded in the register of members and who under Section 244 of the Fair Work (Registered Organisations) Act 2009 are taken to be members of the Branch of the Union as at 31 March 2022 was 510. There were 459 financial members.
- (2) The number of persons, both full-time and part time employees measured on a full-time basis, employed by the Branch of the Union as at 31 March 2022 was 1.2.
- (3) The names of persons who have at any time during the financial year ending 31 March 2022 been members of the CEPU T&S NSW Branch Committee of Management are detailed below. All such persons served on the committee for the period 1 April 2021 to 31 March 2022 unless otherwise indicated.

Position	Name	Period
Branch President	Glenn Falls	1 April 2021 to 31 March 2022
Branch Vice President (Technical)	Lee Walkington	1 April 2021 to 31 March 2022
Branch Vice President (Technical)	Peter Wasilewski	1 April 2021 to 31 March 2022
Branch Vice President (Technical)	Michael Lennon	1 April 2021 to 31 August 2022
Branch Vice President (Technical)	Simon Vanderzeil	1 April 2021 to 14 December 2021
Branch Vice President (Technical)	Vacant	14 December 2021 to 31 March 2022
Branch Vice President (Operator)	Joanne King	1 April 2021 to 31 March 2022
Branch Secretary	Daniel Dwyer	1 April 2021 to 31 March 2022
Branch Assistant Secretary	Peter Wasilewski	1 April 2021 to 31 March 2022
Operator Division	Vacant	1 April 2021 to 31 March 2022
Technical Division	Randall Bye	1 April 2021 to 31 March 2022
Technical Division	Damian Landmark	1 April 2021 to 31 March 2022
Technical Division	David Seychell	1 April 2021 to 31 March 2022
Technical Division	Pierre Dubois	1 April 2021 to 31 March 2022
Technical Division	Paul Sherley	1 April 2021 to 31 March 2022
Technical Division	Andrej Planinsic	1 April 2021 to 31 March 2022

**For and on behalf of the Committee of Management:**

**Dan Dwyer**

**BRANCH SECRETARY**

13 October 2022

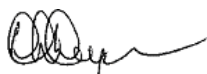

## **BRANCH COMMITTEE OF MANAGEMENT'S STATEMENT**

On 21 July 2022 the Branch Committee of Management of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing & Allied Services Union of Australia, Communications Division, New South Wales Telecommunications and Services Branch passed the following resolution in relation to the general purpose financial report (GPFR) of the Branch for the year ended 31 March 2022.

The Branch Committee of Management declares that in its opinion:

- a) the financial statements and notes comply with the Australian Accounting Standards;
- b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the **RO Act**);
- c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- e) during the financial year to which the GPFR relates and since the end of that year:
  - i. meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
  - ii. the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
  - iii. the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
  - iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
  - v. where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
  - vi. where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Committee of Management.

## NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of preparation of the financial statements

The financial report is for the New South Wales Branch of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing & Allied Services Union of Australia as an individual entity. The Communications, Electrical, Electronic, Energy, Information Postal Plumbing & Allied Services Union of Australia is an organisation registered under the Fair Work (Registered Organisations) Act 2009. The New South Wales Telecommunications and Services Branch is a Branch of the registered organisation. In accordance with the Act the Union is a body corporate and has perpetual succession. By virtue of this method of incorporation, the Union and the Branch are not subject to the Corporations Act 2001. The Branch is a not-for-profit entity for the purpose of preparing financial statements under Australian Accounting Standards.

The financial report is a general-purpose financial report which has been prepared in accordance with Australian Accounting Standards, other authoritative pronouncements of the Australian Accounting Standards Board and the Fair Work (Registered Organisations) Act 2009.

The reporting guidelines made under Section 255 of the Fair Work (Registered Organisations) Act 2009 (the RO Act) require all reporting units to apply the Tier 1 reporting requirements as per Australian Accounting Standard AASB 1053 Application for Tiers of Australian Accounting Standards.

The following is a summary of the significant accounting policies adopted by the branch in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

### a) Revenue

The Branch enters into various arrangements where it receives consideration from another party. These arrangements include consideration in the form of membership subscriptions, capitation fees, levies, grants, and donations.

The timing of recognition of these amounts as either revenue or income depends on the rights and obligations in those arrangements.

### Revenue from contracts with customers

Where the Branch has a contract with a customer, the reporting unit recognises revenue when or as it transfers control of goods or services to the customer. The reporting unit accounts for an arrangement as a contract with a customer if the following criteria are met:

- the arrangement is enforceable; and
- the arrangement contains promises (that are also known as performance obligations) to transfer goods or services to the customer (or to other parties on behalf of the customer) that are sufficiently specific so that it can be determined when the performance obligation has been satisfied.

### Membership subscriptions

For membership subscription arrangements that meet the criteria to be contracts with customers, revenue is recognised when the promised goods or services transfer to the customer as a member of the Branch.

If there is only one distinct membership service promised in the arrangement, the Branch recognises revenue as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the Branch's promise to stand ready to provide assistance and support to the member as required.

If there is more than one distinct good or service promised in the membership subscription, the Branch allocates the transaction price to each performance obligation based on the relative standalone selling price of each promised good or service. In performing this allocation, standalone selling prices are estimated if there is no observable evidence of the price that the reporting unit charges for that good or service in a standalone sale. When a performance obligation is satisfied, which is either when the customer obtains control of the good (for example, books or clothing) or as the service transfers to the customer (for example, member services or training course), the Branch recognises revenue at the amount of the transaction price that was allocated to that performance obligation.

For member subscriptions paid annually in advance, the Branch has elected to apply the practical expedient to not adjust the transaction price for the effects of a significant financing component because the period from when the customer pays and the good or services will transfer to the customer will be one year or less.

When a member subsequently purchases additional goods or services from the reporting unit at their standalone selling price, the reporting unit accounts for those sales as a separate contract with a customer.

#### **Capitation fees**

Where the Branch's arrangement with a branch or another reporting unit meets the criteria to be a contract with a customer, the Branch recognises the capitation fees promised under that arrangement when or as it transfers capitation fees to another reporting unit.

In circumstances where the criteria for a contract with a customer are not met, the Branch will recognise capitation fees as income upon receipt (as specified in the income recognition policy below).

#### **Levies**

Levies paid by a member (or other party) in an arrangement that meets the criteria to be a contract with a customer is recognised as revenue when received by the Branch.

#### **Interest income**

Interest revenue is recognised on an accrual basis using the effective interest method.

#### **b) Income Tax**

No provision for Income Tax is necessary as the branch is exempt from Income Tax under Section 50.1 of the Income Tax Assessment Act 1997.

#### **c) Furniture and Equipment**

Furniture and equipment is carried at cost less, where applicable, any accumulated depreciation and any impairment in value.

##### *Depreciation*

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives to the Branch commencing from the time the asset is ready for use.

The depreciation rates used for each class of asset are:

Furniture, Equipment & Leasehold Equipment                      5% - 33%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

Gains and losses on disposals are calculated as the difference between the net disposal proceeds and the asset's carrying amount and are included in the Statement of Comprehensive Income in the year that the item is derecognised.

#### **d) Impairment**

The carrying amounts of furniture and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. An impairment loss is recognised in the Statement of Comprehensive Income for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of the asset's fair value and value in use. For the purpose of assessing value in use, this represents depreciated current replacement cost, as the Union is a not-for-profit organisation.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

**e) Employee Benefits**

Provision is made for the Branch's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled plus related on costs.

Other employee benefits payable later than one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. In the case of Long Service Leave this results in an amount not materially different to that achieved by discounting future cash flows.

Contributions are made by the Branch to employee superannuation funds and are charged as expenses when incurred.

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required, and they are capable of being measured reliably. Liabilities for short-term employee benefits (as defined in AASB 119 *Employee Benefits*) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date. Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

Provision is made for separation and redundancy benefit payments. The reporting unit recognises a provision for termination as part of a broader restructuring when it has developed a detailed formal plan for the terminations and has informed those employees affected that it will carry out the terminations. A provision for voluntary termination is recognised when the employee has accepted the offer of termination.

**f) Cash and cash equivalents**

*Cash* comprises cash on hand and demand deposits, together with other short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

**g) Financial Assets**

The Branch classifies its financial assets into the following categories:

- a. financial assets at fair value through profit or loss
- b. amortised cost, and
- c. financial assets at fair value through other comprehensive income (previously available-for-sale financial assets).

The classification depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and re-evaluates this designation at every reporting date.

Financial assets and liabilities are initially measured at fair value plus transaction costs unless they are carried at fair value through profit or loss in which case the transaction costs are recognised in the income statement. Purchases and sales of investments are recognised on trade-date, the date on which the Branch commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Branch has transferred substantially all the risks and rewards of ownership.

The fair value of financial instruments traded in active markets is based on quoted market prices at the balance date. The quoted market price used is the current bid price.

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

*The categories of financial assets are:*

**Financial assets at fair value through profit or loss**

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term or if so designated by management. Assets in this category are classified as current assets if they are either held for trading or are expected to be realised within 12 months of the Statement of Financial Position date. After initial recognition they are measured at their fair values. Gains or losses on re-measurement are recognised in the income statement.

**Financial assets at amortised cost**

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL or FVOCI): they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows, the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The entity's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments as well as long-term deposit that were previously classified as held-to-maturity under AASB 139.

**Financial assets classified as fair value through other comprehensive income (FVOCI)**

Investments in equity instruments that are not held for trading are eligible for an irrevocable election at inception to be measured at FVOCI. Under FVOCI, subsequent movements in fair value are recognised in other comprehensive income and are never reclassified to profit or loss. Dividend from these investments continue to be recorded as other income within the profit or loss unless the dividend clearly represents return of capital. This category was previously classified as 'available-for-sale'.

The fair value of investments that are actively traded in organised financial markets is determined by reference to quote market bid prices at the close of business on the reporting date.

**Impairment of financial assets**

At each balance date the entity assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired. Any impairment losses are recognised in the income statement. The entity considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between: financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ('Stage 1'), and financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ('Stage 2'). 'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date. '12-month expected credit losses' are recognised for the first category while 'lifetime expected credit losses' are recognised for the second category.

Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

**h) Leasehold on premises**

Leases where the lessor retains substantially all the risks and rewards of ownership of the net asset are classified as operating leases. Payments made under operating leases (net of incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease.

**i) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables on the Statement of Financial Position are shown inclusive of GST.

**j) Accounting Standards - *New standard adopted as at 1 April 2018* -**

**AASB 9 Financial Instruments**

AASB 9 Financial Instruments replaces AASB 139 Financial Instruments: Recognition and Measurement. It makes major changes to the previous guidance on the classification and measurement of financial assets and introduces an 'expected credit loss' model for impairment of financial assets.

When adopting AASB 9, the Branch has applied transitional relief and opted not to restate prior periods. There are no differences arising from the adoption of AASB 9 in relation to classification, measurement, and impairment are recognised as at 1 April 2018. On the date of initial application, 1 April 2018, the Company held financial assets of cash and cash equivalents, and trade and other receivables, and financial liabilities of trade and other payables. Under AASB 139, these financial instruments were classified and measured at amortised cost and remain consistent under AASB 9. Further, reclassifications under AASB 9 are: held to maturity financial assets under AASB 139 were reclassified at amortised cost, and available-for-sale financial assets have been reclassified to fair value through other comprehensive income (FVOCI). No restatement was required as a result of these reclassifications.

**k) Going concern**

The Branch is not reliant on the financial support of any other reporting units to ensure they can continue on a going concern basis.

**l) Administration**

The Branch has not been administered by another entity.

**m) Going concern support**

The Union has not agreed to provide financial support to any other reporting units to ensure they can continue on a going concern basis.

**n) Amalgamations and Restructures**

There have been no amalgamations or restructures in the financial year and previous financial year. No assets or liabilities have been acquired as a result of any amalgamations or restructures.

**o) Business Combinations**

There have been no business combinations in the financial year.

**NOTE 1.2 ACCOUNTING ESTIMATES AND JUDGEMENTS**

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

**a) Critical accounting estimates and assumptions**

The Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

**b) Critical judgments in applying the Branch's accounting principles**

There are no critical judgements that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

**NOTE 2      EVENTS AFTER THE REPORTING PERIOD**

There has not been any matter or circumstance occurring subsequent to the end of the financial year that has significantly affected, or may significantly affect, the operations of the reporting unit, the results of those operations, or the state of affairs of the Branch in subsequent financial periods

**NOTE 15D: CREDIT RISK**

The Branch has no exposure to credit risk.

**NOTE 15E: LIQUIDITY RISK**

The Branch has no exposure to liquidity risk for non-derivative financial liabilities

**NOTE 15F: MARKET RISK**

The Branch has no exposure to market risks

**NOTE 16 FAIR VALUE MEASUREMENT**

**NOTE 16A: FINANCIAL ASSETS AND LIABILITIES**

Management of the Branch assessed that [cash, trade receivables, trade payables, and other current liabilities] approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of financial assets and liabilities is included at the amount which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair values:

- Fair values of the Branch interest-bearing borrowings and loans are determined by using a discounted cash flow method. The discount rate used reflects the issuer’s borrowing rate as at the end of the reporting period. The own performance risk as at 31 March 2022 was assessed to be insignificant.
- Fair value of equity securities are derived from quoted market prices in active markets.
- Long-term fixed-rate and variable-rate receivables/borrowings are evaluated by the Branch based on parameters such as interest rates and individual credit worthiness of the customer. Based on this evaluation, allowances are taken into account for the expected losses of these receivables. As at 31 March 2022 the carrying amounts of such receivables, net of allowances, were not materially different from their calculated fair values.

The following table contains the carrying amounts and related fair values for the Branch financial assets and liabilities:

	Carrying amount 2022 \$	Fair value 2022 \$	Carrying amount 2021 \$	Fair value 2021 \$
<b>Financial assets</b>				
Cash and Cash Equivalents	283,926	283,926	278,588	278,588
Trade Receivables	18,949	18,949	20,579	20,579
<b>Total</b>	<b>302,875</b>	<b>302,875</b>	<b>299,167</b>	<b>299,167</b>
<b>Financial liabilities</b>				
Trade Payables	24,338	24,338	21,685	21,685
Other Payables	5,408	5,408	7,486	7,486
<b>Total</b>	<b>29,746</b>	<b>29,746</b>	<b>29,171</b>	<b>29,171</b>

**NOTE 16B: FINANCIAL AND NON-FINANCIAL ASSETS AND LIABILITIES FAIR VALUE HIERARCHY**

The following tables provide an analysis of financial and non-financial assets and liabilities that are measured at fair value, by fair value hierarchy.

**Fair value hierarchy – 31 March 2022**

**NOTE 18 SECTION 272 FAIR WORK (REGISTERED ORGANISATIONS) ACT 2009**

In accordance with the requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or Commissioner:

- 1) A member of a reporting unit, or the Commissioner, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- 2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- 3) A reporting unit must comply with an application made under subsection (1).

**NOTE 19 NATIONAL COUNCIL – BRANCH VOTING ENTITLEMENTS**

For the purposes of the National Council Composition and Voting Rights, the actual membership contributions received for the financial year ended 31 March 2022 were \$232,625

## OFFICER DECLARATION STATEMENT

I, Daniel Lee Dwyer, being the Branch Secretary of the Communications, Electrical, Electronic, Energy, Information, Postal, Plumbing & Allied Services Union of Australia, Communications Division, New South Wales Telecommunications and Services Branch, declare that the following activities did not occur during the reporting period ending 31 March 2022.

The Branch did not:

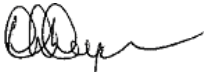

- agree to receive financial support from another reporting unit to continue as a going concern (refers to agreement regarding financial support not dollar amount)
- agree to provide financial support to another reporting unit to ensure they continue as a going concern (refers to agreement regarding financial support not dollar amount)
- acquire an asset or liability due to an amalgamation under Part 2 of Chapter 3 of the RO Act, a restructure of the branches of an organisation, a determination or revocation by the General Manager, Fair Work Commission
- receive capitation fees or any other revenue amount from another reporting unit
- receive revenue via compulsory levies
- receive donations or grants
- receive revenue from undertaking recovery of wages activity
- pay compulsory levies
- pay a grant that was \$1,000 or less
- pay a grant that exceeded \$1,000
- pay a donation that was \$1,000 or less
- pay a donation that exceeded \$1,000
- pay separation and redundancy to holders of office
- pay leave and other entitlements to employees (other than holders of office)
- pay separation and redundancy to employees (other than holders of office)
- pay to a person fees or allowances to attend conferences or meetings as a representative of the reporting unit
- incur expenses due to holding a meeting as required under the rules of the organisation
- pay legal costs relating to litigation
- pay legal costs relating to other legal matters
- pay a penalty imposed under the RO Act or the *Fair Work Act 2009*
- have a receivable with other reporting unit(s)
- have a payable to an employer for that employer making payroll deductions of membership subscriptions
- have a payable in respect of legal costs relating to litigation
- have a payable in respect of legal costs relating to other legal matters
- have a separation and redundancy provision in respect of holders of office
- have other employee provisions in respect of holders of office
